## SEDUM TILES

All Seasons

Product #

# 6410

Fully Vegetated Sedum Tiles are an instantaneous landscape. Our Sedum Tiles come in five proven mixes to meet the unique needs of various green roof environments. Each Tile includes seven to ten of the varieties specified to provide all season interest, maximum color, shade tolerance, or durability. All Seasons Sedum Tiles offer many advantages:

- provides **flowers throughout the growing season**. Winter interest and seasonal foliage color changes are also found within this mix
- a good, general-purpose mix that provides **year-round beauty**
- is **simple and light to install** with installation rates as high as 1,000 ft<sup>2</sup> per man hour
- the **coconut fiber base** assures effective rooting of the plants to the underlying growth media
- **minimal maintenance** requirements once established

Tiered pricing based on product quantity
